

## Healthcare

I serve on the Health Subcommittee of the Energy and Commerce Committee, which handles healthcare policy. Below you can find information on some of the hearings I have participated in about healthcare reform:

- Making Health Care Work for American Families: Saving Money, Saving Lives (Thursday, April 2, 2009)

- Making Health Care Work for American Families: The Role of Public Health (Friday, March 27, 2009)

- Making Health Care Work for American Families: Improving Access to Care (Tuesday, March 24, 2009)

At Rep. Braley's request, Dr. Kitchell, President-elect of the Iowa Medical Society, testified at this hearing about access to care in rural areas.

- Making Health Care Work for American Families: Ensuring Affordable Coverage (Tuesday, March 17, 2009)

- Making Health Care Work for American Families: Designing a High Performing Healthcare System (Tuesday, March 10, 2009)
